

REACH COMPLIANCE STATEMENT

This letter provides the compliance status of SMSEagle products with the following directive(s) or regulation(s): Product/Article Declaration for REACH (EC 1907/2006).

Background

The acronym "REACH" stands for the "Registration, Evaluation, Authorization and Restriction of Chemicals". REACH is a European Union Regulation (No 1907/2006) which was entered into effect in June 2007. REACH is intended to improve the protection of human health and the environment through the identification and use of certain chemicals and chemical substances.
